

Quiz Bingo

- 1) Read out the questions in order from 1 to 25.
Teams write their answers in any square on both sides of their answer sheet and the accompanying number in the top left hand corner.
- 2) After a short break you collect one of the team's 2 completed copies then you begin reading out the answers in the order given on the answer sheet.

First read the number, then the question followed by the answer, then the number again.
- 3) If incorrect or unanswered, teams cross through the answer and are not able to use that square.
- 4) The winning team is one who has 5 in a line horizontally, diagonally or vertically
- 5) After a 'house' call, check the duplicate copy.
If correct, they win, if incorrect, continue playing.
- 6) In the event of a tie or if no team wins when all answers have been read out, use the tiebreak question.
- 7) After a winning claim, remember to read out the answer to all remaining questions.
